BASIC PREPARATION FOR PARISH NURSES

The parish nurse course is offered through a cooperative relationship between the Ida V. Moffett School of Nursing at Samford University, Alabama WMU, and Baptist Health System.

The course is based on the standardized core curricula developed through the International Parish Nurse Resource Center, in consultation with the National League for Nursing and the American Nurses Association Credentialing Center.

The parish nurse role is a health-promotion, risk-reduction, disease-prevention nursing role that focuses on care of the whole person, holding the spiritual dimensions to be central to the practice.

OBJECTIVES

The participant will:

- Embrace the integration of faith and health as central to the parish nurse role.
- Demonstrate knowledge, attitude and skills to practice as a beginning parish nurse.
- Value an intercollegial peer system of support.
- Identify a network for continuing development and support.
- Commit to continued spiritual formation to more effectively understand and carry out the parish nurse role.
