

Strengthening Alabama Schools

Prayer Guide for our College Campuses

WHO AND WHY Alabama students attend a variety of schools, public, private, and even home schools, public, private, and even home schools. With the needs of these schools increasing in the state, there is a growing belief that individuals, groups, churches and associations must take a more active role in supporting Alabama schools, Local support from churches and Alabama Baptists is both vital and scriptural. Throughout His ministry, Jesus showed His love for the children and defined righteousness in terms of concern for “the least of these.”

Participating in the act of strengthening Alabama schools will minister to the needs of children, their families and the school employees. Touching lives through this ministry will not only improve the quality of education for our children but will build trust between the church or individuals with students, employees and families, therefore, opening new doors of opportunity to share Jesus in the local community.

Praying for Alabama Colleges and Universities

DID YOU KNOW There are over 220,000 students enrolled in Alabama colleges and universities? To the best of our determination, about 150,000 of those students do not have a personal relationship with Jesus Christ.

BAPTIST CAMPUS MINISTRIES serves as an evangelistic outpost on all of Alabama’s four-year and many of our state’s community college campuses. Our work on one of Alabama’s greatest mission fields is critical to helping Alabama Baptists fulfill the Great Commission.

HOW CAN YOU BE A PART OF THIS EFFORT? PRAY!

Be a part of a great prayer effort—praying for state missionaries who serve as our Baptist Campus Ministers, students leaders, volunteer and part–time Campus Ministers as they all labor to reach our college and university campuses for Christ.
